DEMEDICALIZING WOMEN'S HEALTH (2 VOLS.SET)

2009. Hardcover. Book Condition: New. 624 This book is about women empowerment. It is an initiative to give freedom to women from the clutches of medicalization. As the title indicates the book's main emphasis is on demedicalization because there has been a growing uneasiness and restlessness in many sections of society about the increasing trend of more and more of our daily routine being regulated by doctors and medicine. Solution to every problem is being brought under the purview of...
