Brand New Book ***** Print on Demand *****.This is Carmella, One of the creatures whose story is told in Our Forever Home. If Carmella could speak the language of Humans, she would greet all children with her warm expressive eyes and gentle spirit, and invite each child to Enter the world of the Cozy Red Barn, where inside, the barn has a family of all different animals, coming together under one roof, living in a world of diversity, love, warmth, good food, kindness and shelter. All these elements are the basic necessities for a kind and decent life. No matter where the animals originally came from, and in their quest to live in harmony and safety, they find themselves in a blended and happy family of acceptance. Penny Hart Edutainment is a word that I use to describe a children s book that provides readers with the adventure they seek, but with a learning element that enriches their lives. Forever Home. is such a story Congratulations! Harriet Clyde Kipps (The Super Volunteers Club Mysteries and other books).
