Stuart Robertson's Tips on Organic Gardening: Your Gardening Questions Answered

By Stuart Robertson

Vehicule Press. Paperback. Book Condition: new. BRAND NEW, Stuart Robertson's Tips on Organic Gardening: Your Gardening Questions Answered, Stuart Robertson, Brimming with simple but effective techniques perfected over decades of dirty work, novice and experienced gardeners alike benefit from this charming handbook on the joys of rural and urban gardening in the northern United States. Emphasising the use of products carefully formulated to positively impact the environment, each tip and explanation works tirelessly toward the overarching goal of demystifying the world of organic gardening. Chapters such as Composting; Fertilising; Watering and Irrigation; Planting; Lawn Care; Pests; Putting the Garden to Bed; and Tools ensure that this handy guide will become dog-eared and soiled from the wear and tear of constant referencing.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
