Reviews

These kinds of book is every little thing and made me looking forward and much more. I really could comprehended every little thing using this published e publication. I am just very happy to explain how this is basically the finest ebook we have read during my very own lifestyle and might be he greatest ebook for ever.

(Pascale Marvin II)

TORPEDO JUICE: A NOVEL

William Morrow, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The drinks are on us! Serge A. Storm returns -- and so does Tim Dorsey -- for another hilarious tour of the wacky underside of the Sunshine State. And this time our lovable but maniacal hero is on a mission: Stay off police radar and reinvent himself. Naturally Serge makes a beeline to the Reinvention Capital of the United States, the Florida Keys, where nobody is who they seem to be and the freaks are the least of your worries. The perfect place for Serge to blend in! Unfortunately, some other less likable lunatics have latched on to the same idea, and the sheriff's fax machine keeps jamming because of all the APBs coming in like a storm front about to break. Lurking beneath paradise are many questions: Who is the mystery driver of the metallic green Trans Am? The brown Plymouth Duster with Ohio plates? What about the white Mercedes with tinted windows? Who can keep it all straight? Serge can! At least when he's not conch blowing, Seven-Mile Bridge running, underwater romancing, operating an all-inclusive twelve-step program, or trying to convince his accidental posse that he's not the messiah. But the questions only lead to more questions: Why is everyone afraid to set foot on No Name Key? Why are they more afraid of the smuggler left over from the old days, when all the phone booths are covered with drug dealers' numbers? What was Serge thinking when he got married? What was she thinking? Who rises from the dead to wreak havoc on the newlyweds' bliss? Will the Skunk Ape win the scavenger hunt? Who will survive the Key West beach bash from hell? And why is everyone hammered...
