Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

(Tomas Witting)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Dairy Farming A cow s breath has been said to be the sweetest of all known things, and while such an abstract quantity cannot be compared with more concrete substances for relative sweetness, we must grant that in many ways the dairy cow is a remarkable and wonderful creature. Not only is this true, so far as we are able to measure her value in dollars and cents, but also her unique position as the foster mother of the human race is a position for which no other animal has yet been able to successfully compete. On the stock exchanges and in the great markets, we so constantly hear wheat and grains discussed that the uninitiated in agricultural matters are likely to form the opinion that grain farming is the chief source of agricultural wealth in the United States and the world. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
