

Surrendered Child: A Birth Mothers Journey

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

University of Georgia Press. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 7.9in. x 5.1in. x 0.7in. Surrendered Child is Karen Salyer McElmurrays raw, poignant account of her journey from her teen years, when she put her newborn child up for adoption, to adulthood and a desperate search for the son she never knew. In a patchwork narrative interwoven with dark memories from her childhood, McElmurray deftly treads where few dare--into a gritty, honest exploration of the loss a birth mother experiences. The year was 1973, a time of social upheaval, even in small-town Kentucky, where McElmurray grew up. More than a story of time and place, however, this is about a girl who, at the age of sixteen, relinquished her son at birth. Twenty-five years would pass before McElmurray began sharing this part of her past with others and actively looking for her son. McElmurrays own troubled upbringing and her quest after a now-fully-grown son are the heart of her story. With unflinching honesty, McElmurray recounts both the painful surrendering and the surprise rediscovery of her son, juxtaposed with her portrayal of her own mother, who could not provide the love she needed. The dramatic result is a story of birthright lost and found--and an exploration of the meaning of motherhood itself. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
