Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. Arthur Rackham (illustrator). Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Gardens are a tremendous big place, with millions and hundreds of trees; and first you come to the Figs, but you scorn to loiter there, for the Figs is the resort of superior little persons, who are forbidden to mix with the commonalty, and is so named, according to legend, because they dress in full fig. These dainty ones are themselves contemptuously called Figs by David and other heroes, and you have a key to the manners and customs of this dandiacal section of the Gardens when I tell you that cricket is called crickets here. Occasionally a rebel Fig climbs over the fence into the world, and such a one was Miss Mabel Grey, of whom I shall tell you when we come to Miss Mabel Grey's gate. She was the only really celebrated Fig. The Classic Children's Book.
