Traversing Regression: A Collection of Poetry

By Elizabeth K. Donahey

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Elizabeth Donahey's Traversing Regression is a collection of poems written during the 1990s. The anthology is absolutely fascinating. The poems are generally brief, free-form and thematic. The language and the imagery are beautiful, powerful, and impressionistic such as the poem Provence, France. Nature inspires much of the imagery, from rose blossoms to blue heavens, moonlight, trembling trees. Donahey writes in the Romantic tradition of Wordsworth and Byron (to whom the longest poem in the book, Breath for Byron, is an ode), but I can't help being reminded of the Poetes Maudits as well as Beaudelaire, Verlaine, Rimbaud, and Mallarme. The love motif is present in a majority of the pieces, abstractly in Peasant Girl, and Disturb the Universe, and more specifically, in the later poems, where she expresses love or admiration for a specific individual. There is also a great deal of pain and sorrow. Dark themes - death, abandonment - abound (Can I Walk, Drifting Ugly through Algebraic Language, Blue Finger Baby Frozen Ashes, Winter Whines, and they are sometimes self-referential Against...
