Regulations and Instructions for the Government of the United States Coast and Geodetic Survey (Classic Reprint)

By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Regulations and Instructions for the Government of the United States Coast and Geodetic Survey For rules governing the preparation of progress sketches see General Instructions for Field Work. The date of beginning and ending field work should be stated. The general organization of the party should be stated, including a list of all official members thereof, with a statement of the general capacity in which each was employed. A table of statistics showing a summary of the results obtained should also be given (Form 21). It is also desirable to include in these reports brief remarks relative to the methods employed in executing the work reported upon. When the work of a field party is continuous from July 1 to December 31 a report of progress shall be made on the latter date if there is no immediate prospect of completing the work assigned. Recommendations upon methods of field work should be made the subject of a separate communication. All reports and official correspondence should be on standard size paper. 21. If the field season...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Bernie Mante PhD**
