From the multi-Emmy Award winning host of Survivor and the New York Times bestselling co-author of Middle School: The Worst Years of My Life comes a fantastic new middle grade series! They thought it couldnt get any worse. They were wrong. Being shipwrecked on a jungle island in the middle of the South Pacific was bad enough. But now that Carter, Vanessa, Buzz and Jane have lost their boat--and almost everything on board--to another violent storm, its like starting over. That means finding food and shelter, making fire for the first time, dealing with the wild boars that roam the island--and of course, figuring out how to get along (and not kill each other in the process). Survival is no individual sport in a place like this, but theres only one way to learn that. The hard way.
