The Thrilling Adventures of Lovelace and Babbage: The (Mostly) True Story of the First Computer

By Sydney Padua

Penguin Books Ltd. Hardback. Book Condition: new. BRAND NEW, The Thrilling Adventures of Lovelace and Babbage: The (Mostly) True Story of the First Computer, Sydney Padua, In The Thrilling Adventures of Lovelace and Babbage Sydney Padua transforms one of the most compelling scientific collaborations into a hilarious set of adventures. Meet two of Victorian London's greatest geniuses. Ada Lovelace, daughter of Lord Byron: mathematician, gambler, and proto-programmer, whose writings contained the first ever appearance of general computing theory, a hundred years before an actual computer was built. And Charles Babbage, eccentric inventor of the Difference Engine, an enormous clockwork calculating machine that would have been the first computer, if he had ever finished it. But what if things had been different? The Thrilling Adventures of Lovelace and Babbage presents a delightful alternate reality in which Lovelace and Babbage do build the Difference Engine and use it to create runaway economic models, battle the scourge of spelling errors, explore the wider realms of mathematics and, of course, fight crime - for the sake of both London and science. Extremely funny and utterly unusual, The Thrilling Adventures of Lovelace and Babbage comes complete with historical curiosities, extensive footnotes and never-before-seen diagrams of Babbage's...
