

Increasing College Opportunity for Low-Income Students

By The Executive Office of the President

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.With the growing demand for college-educated workers, a college education is one of the surest ways into the middle class. To help more students afford and graduate from college, the Administration has taken steps to address these challenges - doubling Federal investments in Pell Grants and college tax credits, reforming student loans, and taking new steps to reduce college costs and improve value. But while the President continues to push for changes that keep college affordable for all students and families, we can and must be doing more to get more low-income students prepared for college, enrolled in quality institutions, and graduating. Each year hundreds of thousands of low-income students face barriers to college access and success. Low-income students often lack the guidance and support they need to prepare for college, apply to the best-fit schools, apply for financial aid, enroll and persist in their studies, and ultimately graduate. As a result, large gaps remain in educational achievement between students from low-income families and their high-income peers. Increasing college opportunity is not just an economic imperative, but a...

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
