The Travis McGee novels are among the finest works of fiction ever penned by an American author. Jonathan Kellerman He had done a big favor for her husband, then for the lady herself. Now she s dead, and Travis McGee finds that Helena Pearson Trescott had one last request of him: to find out why her beautiful daughter Maureen keeps trying to kill herself. But what can a devil-may-care beach bum do for a troubled young mind? McGee makes his way to the prosperous town of Fort Courtney, Florida, where he realizes pretty quickly that something s just not right. Not only has Maureen s doctor killed herself, but a string of murders and suicides are piling up and no one seems to have any answers. Just when it seems that things can t get any stranger, McGee becomes the lead suspect in the murder of a local nurse. As if Maureen didn t have enough problems, the man on a mission to save her will have to save himself first before time runs out. John D. MacDonald is the all-time master of the American mystery novel. John Saul I envy the generation of readers just discovering Travis McGee, and count myself among the many readers savoring his adventures again. Sue Grafton.
