THE NAKED JAYBIRD: AN INTRIGUE THAT WOULD DESTROY AMERICA

[DOWNLOAD](#)

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This story, the second edition of a tale first self-published in 1999, incorporates corrections and minor amendments, but it remains the same story, delivering the same message thirteen years later. Critic s appreciations and author s comments relating to this work follow. From the first page to the last, this captivating book races, twisting and turning to capture the attention of even the most aloof reader. The Naked Jaybird is an exciting read. Patiently and methodically, Byers spares no detail in piecing together a complex multi-level plot into a plausible story of international conspiracy, espionage, and terrorism. The scale of this endeavor is enormous, but he manages it successfully. As in Bent Coin, another Byers novel, powerful characters expose underlying themes of social stratification, greed, and professional growth. Byers presents and develops credible characters whose motivation and perspective are well understood by the reader. Comments from the Author: The story germinated in July of 1997 after reading an article in McLean s, Canada s Weekly Newsmagazine, about the Royal Canadian Mounted Police, bearing the subtitle Giving up on white-collar crime. In the fall of 1997, The Morning News of Northwest Arkansas printed an Associated Press release that contained the following statement: Chinese military officials studying US forces are developing ways to overcome America s high-tech weaponry and defeat what they see as a superpower in decline. The Chinese strategy involves leveraging inexpensive technology to defeat expensive US technology. A book by a Chinese Army official states: US military forces are vulnerable and even deeply flawed, and can be defeated with the right strategy. One has merely to scan our newspapers for reminders of the dangers we face: At...
