

Webster s 1828 American Dictionary of the English Language (Hardback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

WEBSTER S 1828 AMERICAN DICTIONARY OF THE ENGLISH LANGUAGE (HARDBACK)

Waking Lion Press, United States, 2015. Hardback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Language is an expression of ideas, and as ideas change over time, words take on new meanings. Hence, Noah Webster s monumental 1828 American Dictionary of the English Language is a work of great importance to modern readers who care about traditional values. The founding documents of the United States of America are contemporary with this 1828 dictionary, as are many other important books and documents of that time. The 1828 dictionary defines the language of these materials in the context of their era and thus becomes a valuable reference tool to enhance understanding. In addition, Noah Webster based his work extensively on the King James Version of the Bible, so that not only the words but also the values of the early nineteenth century are reflected in the definitions. As Webster wrote, In my view, the Christian religion is the most important and one of the first things in which all children, under a free government ought to be instructed. . . . No truth is more evident to my mind than that the Christian religion must be the basis of any government intended to secure the rights and privileges of a free people. To make Webster s monumental work available at a more affordable price, this new edition has been carefully prepared in a proprietary compact format: All of the words, definitions, and examples have been preserved, but the explanations of word origins have been omitted to save space, as has Webster s lengthy technical introduction. Scripture references have been standardized in modern format, and many abbreviations have been spelled out for greater understanding. Also, for the first time since the book s original...
