Reviews

*This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

GIANT STEPS: THE REMARKABLE STORY OF THE GOLIATH EXPEDITION - FROM PUNTA ARENAS TO RUSSIA

Little, Brown Book Group, United Kingdom, 2008. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. In Punta Arenas, Chile, in November 1998, Karl Bushby set out on one of the most remarkable journeys of modern times. His plan is as simple as it is extraordinary: to walk up the Americas, across the Bering Strait, through Asia, Russia and Europe, back through the Channel Tunnel and returning to Britain in 2011. It is a journey of remarkable endurance -- 20 miles a day, 3,000 miles a year, 36,000 miles in total. By the time Karl returns, he will have crossed four continents, twenty-five countries, a frozen sea, six deserts and seven mountain ranges. But more than that, unlike other similar expeditions, Karl is attempting it single-handed: no huge support teams, no large sponsorship deals, this is the inspiring true story of a man facing remarkable odds -- and winning.
