

The A to Z of the Orthodox Church

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

THE A TO Z OF THE ORTHODOX CHURCH

Scarecrow Press. Paperback. Book Condition: New. Paperback. 462 pages. Dimensions: 8.4in. x 5.4in. x 1.2in. Of the three major branches of Christianity, Orthodoxy is the least known and most misunderstood. The A to Z of the Orthodox Church provides students, researchers, and specialists with a desk encyclopedia of the theology and theologians, saints, sinners, places and events of the Eastern Church. Two millennia of the religion are surveyed in over five hundred concise entries, concentrating primarily on the last 150 years. Includes an overview of the early Church through the Byzantine and Russian Empires, into the present multinational Orthodox presence in the ecumenical movement. Many of the general entries cannot be found elsewhere in English, and the comprehensive compilation of biographies of 19th- and 20th-century Orthodox theologians (American, Russian, Greek, and many other nationalities) is published here for the first time. This book includes a detailed 4,000-year chronology, illustrations, extensive bibliography, and an appendix listing the current canonical patriarchs and autocephalous churches. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
