Flux: Genesis

By W L White III

Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Man should have kept the earth hidden; now that they know, the extinction will begin. The extinction of man; an innumerable advanced alien species; galactic conquest We are not alone. Our planet is teeming with bio fuel for a species that outnumbers us a million to one, and we are not prepared. The enemy is innumerable, stronger, smarter, larger, and hungry; they could consume the very planet itself. Man s curiosity has set events in motion that will trigger an apocalyptic end that can t be stopped. By chance or divine intervention, eight humans are gifted with celestial orbs. Their story begins in the pages of FLUX: Genesis; Intech, Pulse, Friction, Phase, Flame, Hydro, Shift and Atom. Will their new power be enough to stop the onslaught of this truly alien foe?.

Reviews

Very beneficial for all type of folks. It can be rally intriguing throug studying time. You will like how the writer publish this ebook.

-- **Nathan Cruickshank**

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
