

Stewardship, Economics and Entropy: Christian Stewardship from an Economist's Point of View

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

STEWARDSHIP, ECONOMICS AND ENTROPY: CHRISTIAN STEWARDSHIP FROM AN ECONOMIST S POINT OF VIEW

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In Genesis 1:31a we find that God saw everything that he had made, and indeed, it was very good. In Psalms 24:1 we find The earth is the LORD s and all that is in it, the world, and those who live in it. Yet many Christians, encouraged by many theologians, seem to believe that the world is a place of evil and that only the love of God through Christ Jesus, earned by renouncing and turning away from the evil world, will allow salvation and the enjoyment of an afterlife of heavenly bliss instead of a fiery Hell. To many, evidence of this evil world is wealth, especially wealth earned through capitalism instead of seeking communal equality where all labor and share equally with no personal comforts unless they are enjoyed by everyone. Since such a belief system is not natural to most people, many are left with an unsettled view whereby they work to provide for themselves and their loved ones and at the same time have feelings of guilt for their unchristian attitudes. In this work the author attempts to reach back to the concept that God s creation is good and humanity s purpose is to continue God s creative work and establish God s Kingdom on earth, not in some idealized heaven, admission to which is earned by rejecting God s creation as an evil place. This attempt first offers a definition of stewardship which has nothing to do with annual fund raising campaigns. The definition of stewardship offered is for a system of behavior which seeks to maintain God s creation and all that is in it through optimizing the use of...
