Are you growing in your faith? Are you applying your faith to your daily living? The Faith Files is designed to help you answer these and other questions about living and growing your faith. Not only do you need to know what you believe but also how to apply that faith to your family, business, ministry, and personal life. John Stanko shows you how to do just that. In this second of three volumes, John studies faith as it is presented by Paul, the great apostle of faith. John gives insight into every verse of Paul s thirteen letters that pertains to faith and also poses challenging questions to help you with the daily application. This volume, as well as the others, is a great resource for personal or small group study, and it is guaranteed to help you exercise more God-pleasing faith. The first volume was so helpful to my family and me. I have grown in my faith and helped others do the same. Now I look forward to this next volume. Thank you, Dr. John! -Kevin, from Kenya DR.
