University Press of New England. Paperback. Book Condition: new. BRAND NEW, Candy Necklace, Calvin Bedient, Candy Necklace ushers an intense new voice onto the field of American poetry. Lush and turbulent, the poems collected here expose the violence underlying all acts of union and creation, a violence for which poetry might be a redemptive language but in which language itself is always implicated. Cal Bedient explores a wide range of familiar emotional landscapes -- including the constellation of the family, love, and profound loss. And his work is always deeply intimate and verbally original. The brutality of both public and private experience finds reckoning in these intricate and majestic new poems.
