Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

SEX: AVOIDED SUBJECTS DISCUSSED IN PLAIN ENGLISH

Theophania Publishing. Paperback. Book Condition: New. Paperback. 54 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Henry Stanton's 1922 classic *SEX, Avoided Subjects in Plain English* takes us back to a day when sex and sexual content was simply not discussed with children, teens, and young adults except with an indecent back room parlor or a religious thrust of thou shalt nots. Although Stanton was writing in an era where sexual research and medical knowledge were still rather antiquated, he attempts to give light to a subject which is rife with a Victorian sort of taboo. In an era where a child is berated and punished for an act so natural and common as masturbation, where little ones are taught that babies are the gifts of benevolent storks, and where religious superstition sways the imagination far more than science and research, this book opened the doors for an enlightenment in sexual discussion. The reader should be warned that, in spite of Stanton's attempt at opening doors on the subject, that sex and sexual hygiene were then still in its infancy, and that the cautions and suggestions offered here are still quite ancient to our modern philosophy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
