AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book began with a phrase of a friend, a musician, a few days before he ended up in psychiatric unit permanently. We were sitting outside a bar at night, and he saw a young man walking wearing sunglasses. He told me, A blind man who sees at night, which is the title of the book in Greek. This phrase was the fuel of my inspiration to write this book, which moves between fantasy and reality, symbolism and surrealism together, in a fusion of prose and poetry, positive and negative, history and icons, dreams, voices, and sounds. Somehow all of us have been in front of a crossroad of decisions-our choice rules and ruled, our management of our lives, failure and success, negative or positive. What is right for today may be wrong for tomorrow. The fear of our choice, it is like the film of Luis Bunuel called Angel Exterminator, while the heroes were encapsulated. A Blind Man s Quest is a symbolic-surrealistic novel that watches the social history, the antiquity with today in a non-time environment, with fantastic creatures from horror tales or from my imagination. The place is the Greek environment, though it is unspecific....
