The World-View of the Fourth Gospel: A Genetic Study (Classic Reprint)

By Thomas Wearing

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The World-View of the Fourth Gospel: A Genetic Study The primary purpose of the following investigation is to present various thought-phenomena which constitute the intellectual universe inhabited by the writer - or writers - to whom civilization owes that remarkable Christian literary effort known as the Gospel of John. It must constantly be borne in mind that the Gospel is literature of a distinctive religious cast. The paramount concern of religion is not so much the creation as the conservation of such values as best meet the experiential test in the life of the individual or the community. As a writer holding a brief for the Christian religion of certain thinkers in the Mediterranean area of the late first century A.D., the author of the Fourth Gospel naturally presents the data of that religion in such a way as to conserve the values accepted and approved by that particular group and apprehensible also to the wider group of prospective Christian converts from the other Hellenistic religions. It is this which distinguishes the Fourth Gospel from...
