Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

A MOVIE.AND A BOOK

Random House USA Inc, India, 2005. Paperback. Book Condition: New. Reprint. 198 x 130 mm. Language: English . Brand New Book. Life is a game: it s a movie and it s a book. It s not always easy, but there is always a way. You just have to look at it the right way. In this stunning debut, Daniel Wagner delivers a soulful examination of the forces that both drive us and oppose us. Jim Frazier is a writer with very little to show for it. He worries that the only way to achieve success is to lower the bar, sell out, and pander to commercialism. Meanwhile, somewhere far away, a woman named Liz and a man named Lou are stranded on a desert island. While they are faced with an obviously serious problem, the two have some more important issues to discuss. As these two seemingly separate stories converge, Wagner presents a meditation on the worlds we inhabit that will resonate long after the credits roll and the last page has been turned.
